Parental Contract for Funded Early Education Entitlement (FEEE)

This contract is for the early years provider to collect information from the parent/carer of the funded child to enable a claim to be made for Funded Early Education Entitlement (FEEE). This parental contract **must** be made available to Derby City Council for audit purposes. This is important as we have a data protection responsibility to inform parents why we need their information and how we are going to use it. All fields must be completed on this contract where applicable to ensure the relevant eligibility checks can be performed and the child receives all funding they are entitled to. The retention period for a parental contract is the current year plus 6 years.

Are you a working parent who needs help with your childcare costs? Speak to your childcare provider to see if they offer the Tax-Free Childcare and visit <https://www.childcarechoices.gov.uk/> to check if you qualify. For every £8 you pay to your childcare provider, the government will pay them an extra £2. You can get up to £2,000 off your childcare bills per child per year, or £4,000 for disabled children. And this can be used alongside the 30 hours Free Childcare and for children from 0 to 11 years. If you do not qualify for Tax-Free Childcare, you may be eligible for other offers of support with your childcare costs, Check what help you could get with childcare costs - GOV.UK (www.gov.uk)

I understand my child is entitled to a maximum of 570 universal hours per year and/or a maximum of 570 extended hours per year (if eligible for 30 hours), on either a stretched or term time model and can only take this funding at a maximum of 2 sites in any one day.	<input type="checkbox"/>
I have received charges information upfront from my childcare provider/s and fully understand any charges for additional services and hours of childcare that can be taken by my child. I understand that I should not be charged in advance for my child's funded place and providers cannot insist I take and pay for additional services as a condition of accessing my child's funded place.	<input type="checkbox"/>
I understand it is not good practice to move my child during a term, but if I do choose to do this, my child's FEEE funding can be moved to another childcare provider with immediate effect. If my previous childcare provider/s have stated they require a notice period in my private contract with them, and I choose to move my child's FEEE without giving the required notice, I will be liable to pay for my child's funded sessions until the end of the notice period.	<input type="checkbox"/>
I understand that my child's attendance should be regular. If my child cannot attend their sessions for any reason (due to illness, appointments, or holidays) I will telephone my childcare provider/s to inform them of my child's absence and understand that consistent poor attendance and any unauthorized non-attendance may result in my child's funding being withdrawn.	<input type="checkbox"/>
I understand that if I do not qualify for extended entitlement or fail to keep up with re-validating my 30-hour voucher code I will then only be able to access my universal funded hours of 570 hours per year.	<input type="checkbox"/>
I understand that if the childcare provider takes a retainer fee to reserve my child's 3-and-4-year-old funded place this will be refunded within 4 weeks of my child starting at the provider. I understand that this cannot be taken if my child is only accessing a free two-year-old funded place with no other additional hours taken on top of this.	<input type="checkbox"/>
I understand that my Early Years Provider and the Local Authority must follow the strict rules called 'data protection principles' within the Data Protection Act 2018 to comply with the General Data Protection Regulation (GDPR) to ensure my child's personal information is used fairly, lawfully, and transparently and not revealed to a third party unless the law allows them to. For further information about how the Council and / or DfE store and use of this data please go to the following websites: Data protection: The Data Protection Act - GOV.UK (www.gov.uk) http://www.derby.gov.uk/privacy-notice http://www.education.gov.uk/researchandstatistics/datatdatam/privacynotices/a0064374/pn	<input type="checkbox"/>
I confirm that the information on this contract is accurate to the best of my knowledge, and I authorise Derby City Council to exchange information I have provided on this contract with my child's childcare provider and other local authorities if my address is outside of Derby City to ensure funding is not being exceeded across local authorities.	<input type="checkbox"/>
I understand that the information I have provided can be shared with the local authority and Department for Education (DfE) and HMRC, who will access information from other government departments to confirm my child's eligibility.	<input type="checkbox"/>
My childcare provider has made me aware of the 'Tax Free Childcare' and how to apply for this to reduce my childcare costs by 20% if I meet the eligibility criteria and made me aware of the childcare costs calculator to find out how much help I can get towards my childcare costs, please see the link below: Check what help you could get with childcare costs - GOV.UK (www.gov.uk) https://www.childcarechoices.gov.uk/	<input type="checkbox"/>
I am aware that private childcare providers work to the same Early Years Foundation Stage (EYFS) Curriculum as nursery schools, and if my child enrolls at a school nursery unit, they will not be guaranteed a school place at the same school.	<input type="checkbox"/>

	Please Tick
